

Soon, they'll be eating out of your hand.
 Will you know how to properly care for your new herd?

From birth to blue ribbons to breeding, we will work with you until you achieve the competence and confidence to be a successful and profitable alpaca breeder. We'll take your alpaca dreams from concept to reality.

If you plan to own alpacas, but don't have adequate space or facilities, Twisted Lock Alpacas can help. We offer quality, affordable Agistment Services, at a location that won't make visiting your alpacas an all-day event.

Consider how much more time you'll be able to spend with your alpacas by agisting close to home - in Burbank's backyard.

Twisted Lock Alpacas is tucked away in the equestrian section of Sunland, CA, in the picturesque community of Shadow Hills. A mere three miles from Burbank's Bob Hope Airport and only fifteen minutes from Pasadena, Twisted Lock Alpacas is your best choice for Alpaca Agistment.
